Design and Publishing Help Needed -

Many have enjoyed, and are still enjoying, Trinity's 75th Year memorial book and the 100th Year memorial book.

A small but mighty group of volunteers is putting together a 125th Year history book, and we need some help. Specifically, we need someone to step forward to help design the publication: cover, arrangement, photos, graphics.

This is a short-term project beginning almost immediately.

If you are interested, or know someone who may be interested, please contact Pastor Aimee.
