Trinity Committees

It is time for committees to prepare their 2025 annual reports to be included in the 2025 Annual. Please turn in your reports the TLC Office by Tuesday, January 6, 2026.

If you made changes to your electronic pledging for 2026 remember to contact your bank, Vanco or Tithley to be sure the changes were made. If you need assistance, contact the church office.

Be sure to use the **I Give Electronically** cards available in the pews. Place the card in the offering plate as it is passed during church services. It is a reminder that giving an offering is an act of worship and allows each person to participate in this portion of the service.

Christmas Recycling :

Santa may have brought you a gift packed with Styrofoam (naughty Santa).

Remember:

do not throw it away.

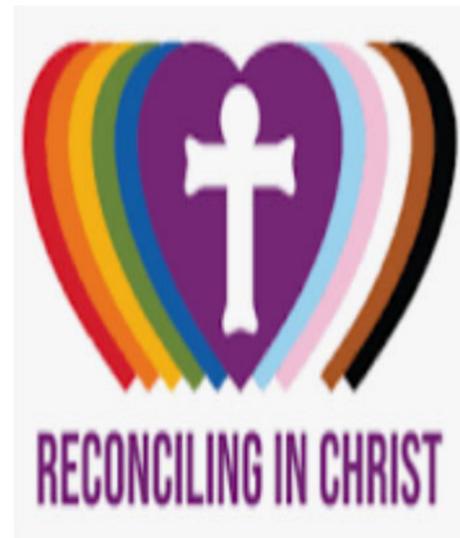

Bring it to the Trinity recycling bins, downstairs, and the Care for Creation team will see that it gets recycled*.

*Bring your clean and dry Styrofoam to Trinity by January 8. There is a free recycling event that weekend and we would like to include your Styrofoam.

"Do you have a question for the Creation Care committee? If so, contact Linda Bergman at 44bergman44@gmail.com.

Trinity's RIC Group is sponsoring a workshop on Sunday, January 11 at 2pm here at Trinity. The theme is a Lutheran introduction to sexual orientation, gender identity, and gender expression. This workshop will help us deepen and expand our welcome to the LGBTQIA+ community.

Please sign up in the fellowship hall.
