"Hi everyone! We hope to have a wonderful benefit show for Zarephath! We are asking folks to RSVP so we can get an estimate of how many to expect. HEALTH MINISTRIES - CPR/AED NON-CERTIFIED TRAINING

August 22, 2026 from 9-11 am

Instructor: Joe Givens (HS teacher at Sandy HS and Certified Red Cross instructor)

Sign up sheet in the Fellowship Hall - 32 maximum

Cost: Suggested \$10 donation

This is a class to offer proper hands on training in CPR, AED and other emergency situations. While there is no Red Cross Certification for this class, it should give you a greater sense of confidence and knowledge if or when you do encounter a life saving situation. And, **YES**, you can perform CPR without certification in an emergency according to the US Good Samaritan laws. Taking immediate action can save a life, though proper training improves effectiveness and safety. **Sign up today** to either learn or review proper CPR and AED techniques
